The City of Long Beach and the Redevelopment Agency invite you to attend a community open house regarding development proposals for City Hall East and other Downtown sites at Long Beach Boulevard and Broadway

**Monday, January 30, 2006
First Congregational Church of Long Beach – Patterson Hall
241 Cedar Avenue
6:00 p.m. to 9:00 p.m.**

Parking available at the Civic Center Parking Garage

The meeting will begin with a formal presentation by staff on the overall developer selection process and key issues facing development of the sites. Afterwards, the public is invited to visit with each of the development teams in an open house format. A community questionnaire relating to issues raised by these projects will also be distributed at the meeting. The input gathered from this meeting will be used to assist the selection committee in formulating recommendations.

Agenda for the Meeting Includes:
Review of Developer Selection Process
Key Issues
Open House with Developers
